

QUALITY POLICY EPIFOC GROUP

The EPI INDUSTRIES Family of Companies Group has a Corporate Purpose, Vision, Mission, Values and management principles that define us to achieve the confidence of our stakeholders.

CORPORATE PURPOSE

Help the industry build a sustainable future.

VISION

To be recognised as a trustful partner in the Industry delivering the products and services from our specializations.

MISSION

EPI INDUSTRIES is an industrial service provider specialized in a wide range of high-quality mechanical engineering components and associated technical and logistics services that bring value-added solutions to our customers looking for their satisfaction and trust.

OUR CORPORATE VALUES

- Responsibility
- Ethics
- Diversity
- Teamwork
- Passion
- Sustainability

GUIDING PRINCIPLES

- A customer-oriented approach
- Innovation
- Mid-long term focus
- Excellence
- Team-building
- Profitability

By the confidence of our customers we mean:

CONFIDENCE

Positive assessment of the perception of Quality in the processes, products and services provided, continuously over time.

We are committed to:

- a) satisfy the requirements, needs and expectations from the stakeholders (based on positive, enriching and ethical relationships).
- b) compliance with the legal and regulatory requirements in force, and
- c) continually improve the effectiveness of the management system to maintain that confidence.
